Gentlemen:

I am a Florida Technological University student, and for a project for my theater class I would like to televise a talk show on cablevision about the Drama of the Great Depression Years. Would you read this announcement on your radio station to help me locate these people?

I appreciate your help. Thank you.

Sincerely,

Walker W. Watson

COPY: If you were active in the theater in the 1930's and would like to appear on a televised talk show about Drama in the Great Depression Years, (particularly the Florida State Theater Project), please contact Walker Watson at 299-7023 or drop a card to:
